

## **Antonio Mendoza**

Antonio Mendoza's analog and digital work has been shown in galleries, museums, festivals and biennials throughout the world including, FILE Festival in Brazil, the Interactiva Biennial of Media and Electronic Arts in Mexico, the Chiangmai New Media Art Festival in Thailand, and the Liverpool Biennial in the UK. In 2006 he was crowned Cyber Wrestling Champion of the WWW at the NODE.London Festival.

In 2008, he collaborated with fellow media artists Jimpunk and Rick Silva on *TRIPTYCH.TV*, for which they won 1st place in the Ibiza Biennial in Spain, and 1st place in the International Competition, Offline/Online, Stuttgarter 22.FILMWINTER Festival in Germany. In 2011, his solo show, *infinity scares the shit out of me, so let's sleep together*, was named one of the year's top 11 shows in LA by Mat Gleason of the Huffington Post . In 2012, he again collaborated with Jimpunk on *Dysleksic Video Corpse*, a web-based project commissioned by Leslie Jones as an artist's response to LACMA's *Drawing Surrealism* exhibition.
